Dear [redacted]

I have been contacted for assistance by [redacted]

[redacted] regarding his belief that he is being used by the CIA.

I am enclosing a copy of a letter I received from [redacted] which I believe you will find self-explanatory. As you will note, my constituent alleges that the CIA may be responsible for implanting an electronic device on his person which turned him into a robot. STAT

I would appreciate your reviewing the enclosed, addressing his concern and providing me a response so that I may reply to my constituent.

Most sincerely,
